Stakeholder consultation is a standout amongst the utmost essential part in the MSPO certification process, amid which the pertinent state, provincial and local stakeholders are requested to contribute their perspectives and observations, in relation to the applicant's certification activities/divisions, whether they follow the pre-requisites of the MSPO's requirements.

Apave Malaysia invites all stakeholders to participate in this consultation process, as you are able to provide a positive contribution to the certification decision.

We request you to raise any relevant issues, both positive and negative, by sending us a written response by mail, fax or by e-mail to our Apave Malaysia Malaysia Sdn Bhd office as indicated below.

As for your guidance, you may perhaps consider the below facts:

- I. Environmental protection.
- II. Biodiversity conservation.
- III. Opportunities for employment.
- IV. Provision of housing, sanitation, amenities and educational support.
- V. Company approach to community development.
- VI. Participation in decision making.
- VII. Any other issue, both positive and negative that you consider may be of relevance to the assessment.
- VIII. Issues relating to other plantations owned by the company not included in this assessment.
- IX. A copy of the applicable MSPO standard for the country, in which the assessment is being conducted, can be obtained through SIRIM Berhad (www.sirim.my), the appointed agent of Department of Standard Malaysia. Alternatively please ask Apave Malaysia Malaysia Sdn Bhd for a copy.
